What Our Clients Say

"Awesome Job!!!! From start to finish, the experience with this company has been first class. The office staff was courteous and worked around our schedules to set a meeting for the appraisal. On moving day, Joe, Jose, Ritchie and Eric were polite, thorough, meticulous and careful with our things. We couldn't have asked for a better team and are so appreciative of the work they did. Hats off to you guys, great job!!!!" —Patrick K. Middle Village, NY

"This was a really good crew. Best move I've had. Moving Right Along Movers came in and worked hard on everything. The lead guy's communication skills were great. They were all friendly. When I asked any questions, they responded right away." —Mark D. Astoria, NY

"Moving is never easy, but they definitely made it easier. So far I have had three very positive experiences with Moving Right Along. I've been to their facility and have seen how they operate, the trucks are clean and the service is good." —Michael K. Staten Island, NY

"Wonderful!!!! From Tim who set everything up on the phone, to John and his crew who moved us, things went perfect! They were so nice! Explained everything, and were quick and efficient! Even finished quicker than the estimated time and it cost us less then the quote!" —Danielle J., Brooklyn, NY

"Excellent follow-up service. Our overall experience was very positive: the movers were very pleasant and did a good job despite the snowy conditions. The staff on the phone were very patient and helpful. Would recommend" —Antoine R., NYC, NY
